Sir:

INFORMATION DISCLOSURE STATEMENT

As suggested by 37 C.F.R. 1.97, the undersigned attorney brings to the attention of
the Patent and Trademark Office the references listed on the attached form PTO-1449.
All listed documents are attached.
☐ This application was filed after June 30, 2003 so that copies of U.S. Patent
Publications are not required and are not attached.
Listed foreign patent publications and other documents are enclosed.
The listed documents were cited in the ISR and copies should have been
supplied by WIPO directly to the US PTO. If copies are not timely received from WIPO,
please telephone the undersigned so that copies can be timely supplied for the Examiner's
consideration in this US National Phase Application.

This is not to be construed as a representation that a search has been made or that no better prior art exists, or that a reference is relevant merely because cited.

The Examiner is requested to initial the attached form PTO-1449 and to return a copy of the initialed document to the undersigned as an indication that the listed references have been considered and made of record.
